MAP Intern Opportunity

Position Title: Farm Intern

Organization Summary
The mission of the Massachusetts Avenue Project (MAP) is to nurture the growth of a diverse and equitable community food system to promote local economic opportunities, access to affordable nutritious food and social change education. MAP’s Growing Green Program is a year-round youth development initiative that involves youth in solving Buffalo’s challenges related to nutrition and healthy food access. The program trains youth in urban agriculture, food systems issues, microenterprise development, and leadership. MAP values creativity and cooperative principles and our staff work closely as a team.

Position Summary
The Farm Intern reports to the Farm Manager and is responsible for assisting in the upkeep of the farm during MAP’s busy growing season. Under the farm manager and along with MAP’s youth employees, interns are expected to complete tasks as directed and maintain a consistent weekly schedule. The farm intern will work on most areas of MAP’s urban farm and experience the bulk of the growing season in the soil.

Essential Functions
- Farm chores: watering, weeding, composting
- Seedling care and starting
- Transplanting
- Harvesting vegetables
- Chicken chores
- Record keeping

Other Responsibilities
- Cleaning and packaging food for distribution
